**Parents and Caregivers as Sexuality Educators Starting in January!**

The UUA has released a parent and caregiver companion program to Our Whole Lives (OWL) as an invitation to begin conversations with a sex-positive foundation and a curiosity to learn more about our children's values and ideas, as well as to transmit our own values in a positive and healthy way.

Over twelve 90-minute sessions, using a small group ministry format, we'll engage deeply with our hopes, fears, values, and practices; build comfort in talking about sexuality-related topics; offer skill-building activities, and offer each other support and encouragement. Sessions will begin on Sunday, January 9, at 2:00 pm, at UU Wausau.

**UU Wausau Winter Retreat at Camp Manitowish**

We have reserved the Beautiful Schwartz Lodge with 12 rooms for families/groups the weekend of Jan 21-23. Please join us for sledding, xc skiing, snowshoeing, indoor rock wall climbing, great company and tons of fun. There will also be opportunities for parents/caregivers to share their joys and struggles; hopes and fears; and to offer each other support and encouragement as we explore our roles as our children's spiritual teachers.

Contact Steve & Sally Schmidt at 715/370-1157 to sign up/with questions.

Lodge fee is divided among participants and usually ends up around \$20 per kid and \$45 per adult per night. Please don't let cost be prohibitive. Contact church office if you'd like to receive an anonymous donation to offset the cost. We all share meal preparation.

Proof of vaccination for all medically eligible is required by Camp Manitowish.

Great way to meet church members, make friends, enjoy winter's beauty!
