UNISON READING

(Face the South)

South: Spirit of the South, spirit of fire, of noontime, and summer. Be with us through the heat of the day and help us to understand our desires. Warm us with strength and energy for the work that awaits us.

(Face the West)

West: Spirit of the West, spirit of water, of evening and autumn. Be with us as the sun sets and help us to reflect on our past. Flow through us with a cooling, healing quietness and bring us peace.

(Face the North)

North: Spirit of the North, spirit of Earth, holding the seed of life through the long winter. Be with us in the darkness, at this time of change. Ground us in the wisdom of the seasons as we celebrate the spiral journey of our lives.

(Face the East)

East: Spirit of the East, spirit of the air, of morning and springtime. Be with us as the sun rises, in times of beginning, times of new light. Inspire us with the fresh breath of courage as we go forth to new adventures.
