

THIS WEEK @ UU WAUSAU

RE Family Survey: As we are making plans for fall RE, we're asking families with children and youth, who have participated in RE programming this year or are planning to next year, to [complete this brief survey \(8 questions\)](#).

Our hope is that hearing from you all will help us better know what is working well, what is valued, and what could be added to help support, but not overwhelm, families. If you have any questions about the survey, or would like to provide more information about your responses, [please contact Jes](#).

EarthWords for the week of June 26, 2022

The environment is where we all meet; where we all have a mutual interest; it is the one thing all of us share. (Lady Bird Johnson)

Please jot down your actions for Project SEA-Change on the scroll in the Atrium after the service.

Thank you from the Environmental Action Group (EAG).
