

THIS WEEK @ UU WAUSAU

EarthWords for the week of August 7, 2022

What is the use of a house if you haven't got a tolerable planet to put it on? (Henry David Thoreau)

Please jot down your actions for Project SEA-Change on the scroll in the Atrium after the service. Thank you from the Environmental Action Group (EAG).

Youth Group Meetup on Sunday: Rising 8th-12th graders are invited to join the youth group today, from 2-4PM, for an afternoon of contemplative photography and ice cream. We'll meet at UU Wausau, explore downtown looking for texture and patterns, and stop for a treat before heading back to UU Wausau.

Youth will need a camera (or phone camera). For questions, or if your youth plans on attending, please email Jessica at jessica@uuwausau.org.

Family Fun Night, August 11: Join us for our second summer of play family fun night! On Thursday, August 11 at 6:00 p.m. families of all ages, with or without children at home, are invited to join us for dinner (pizza and salad), dessert, and stories over the fire. Families are encouraged to bring camp chairs, but we'll have extras on hand. In the event of inclement weather, we'll move indoors.

RSVPs for this event are not required but are appreciated to help with food planning.
