

THIS WEEK @ UU WAUSAU

A Couple of Spots Remaining for our UU Winter Retreat!

We have space open for two more families (with or without children at home) to join us at the beautiful Schwartz Lodge with 12 rooms for families/groups the weekend of January 20th through 22nd, 2023. There's sledding, cross-country skiing, snowshoeing, indoor rock wall climbing, great company, and tons of fun!

Contact Steve & Sally Schmidt at 715-370-1157 to sign up or with questions. The lodge fee is divided among participants and usually ends up around \$30 per kid and \$45 per adult per night. Please don't let cost be prohibitive. Contact the church office if you'd like to receive an anonymous donation to offset the cost. We all share meal preparation.

Joining the Winter Retreat is a great way to meet church members, make friends, and enjoy winter's beauty.

We Rock It! Book Club, January 19th

Tweens and their caregivers are invited to join us for our We Rock It! Book Club. January's book is *Brown Girl Dreaming* by Jacqueline Woodson, and we'll meet on Zoom on Thursday, January 12, at 7:00 pm, to discuss Part IV. Folks are welcome to participate whether they have completed the reading or not. We always review that week's material. Email Jessica, jessica@uuwausau.org, for the Zoom link.

Community Focus Collection—today!

Today's Community Focus Collection is gathered for Mosaic of North Central Wisconsin. On a CFC Sunday (the third Sunday of every month), our entire plate offering is donated to an organization. Learn more about Mosaic during the service, and please give as able.

EarthWords for Sunday, January 15, 2023

Please jot down your good deeds for Planet Earth on the Project SEA-Change scroll in the atrium after the service. Sharing your acts of environmental stewardship inspires all of us move forward in faith and joy.

For every part of the universe is connected with every other part by ties that are very powerful and admit of no imbalance, nor any slackening whatever. 'Abdu'l-Bahá

RE-Visioning Lunch and Learn, January 29

Over the past year, as part of creating a post-pandemic vision for our RE program, the RE Team has been exploring some big questions - how has the landscape of RE and faith changed since the creation of our Sunday School programs, how are those changes showing up at UU Wausau, and where might those changes take us. And we're ready to share what we've learned and invite you to join us in creating the vision for our RE program! Join the RE Team for a Lunch and Learn after service on Sunday, January 29. During lunch, we'll share more about the metaphorical "water RE is swimming in," both in terms of the larger landscape of faith and cultural shifts, and prepare us to take our next step - several small group sessions where you will be able to share your fears, hopes, and desires for our RE program.

Registration is not required for the lunch but is appreciated to help with food planning; e-mail jessica@uuwausau.org.
