## RE-Visioning Lunch and Learn, TODAY

Over the past year, as part of creating a post-pandemic vision for our RE program, the RE Team has been exploring some big questions - what challenges are our and other congregation's RE programs facing (have you been wondering "where have the children gone?"); where are we seeing joy; and what opportunities might we have going forward? And we're ready to share what we've learned and invite you to join us in creating the vision for our RE program!

Members and friends are invited to join the RE Team after the service today for a Lunch and Learn. During lunch, we'll share more about the metaphorical "water RE is swimming in," both in terms of the larger landscape of faith and cultural shifts, and prepare us to take our next step - several small group sessions where you will be able to share your hopes, fears, and desires for our RE program.

Our February potluck will be held on Sunday, February 5th after church. We do not have an official group sponsoring the potluck this time but we still want to move forward with this fun event of food, fun and fellowship. Please let Sheryl Hemp know if you are able to help with set-up before the event or clean-up afterwards. She can be reached at [wishemp@aol.com](mailto:wishemp@aol.com) or call or text at (715)571-0604

**The Caring Committee** is in need of volunteers for the following services. You may volunteer without committing to serve on the committee.

- Making a meal for a member or family in need
- Making bars/cookies for memorial services (These are both reimbursable from our budget)
- Helping to set up before or clean up after a memorial service

We are also asking for information on members who are turning 80 this next year. Caring Committee honors our members 80 and over with cards and flowers on major birthdays.

If you are interested in being added to our volunteer list or if you know of someone who is turning 80, please contact Sara Eberlein at [eberleins@charter.net](mailto:eberleins@charter.net) Thank you!

## EarthWords for Sunday, January 29, 2023

Please jot down your good deeds for Planet Earth on the Project SEA-Change scroll in the Atrium after the service. Sharing your acts of environmental stewardship inspires all of us move forward in faith and joy.

## We Rock It! Book Club February Read

Geared for tweens and their families (caregivers, grandparents, etc), we meet weekly on Thursdays at 7:00 pm on Zoom, to discuss that month's graphic novel or chapter book. Selections explore themes of equity, inclusion, justice, and celebrating the diversity of differing and intersecting identities, including race, ethnicity, sexuality, faith, ability, class, and gender. February's book is *Efrén Divided* by Ernesto Cisneros. Email Jessica, [jessica@uuwausau.org](mailto:jessica@uuwausau.org), for the Zoom link.
