

THIS WEEK @ UU WAUSAU

All Ages Valentine's Worship, Today!

To celebrate Valentine's Day and love as a whole community, the Elementary RE and Youth Group will not meet today. Children and youth are invited to join us for worship. Be sure to check out our Soul Work supplies (UU Coloring sheets, play-doh, fidgets, etc.) and all-ages worship packet to use during service.

The Soup & Nut Bread Sale is today!! Pick up some soup and nut bread in the Atrium—the proceeds go to help purchase additional listening assistive devices for our Sanctuary!

RE Day Camp Interest Survey

As we have been re-visioning our RE program, we have been thinking about ways we can better meet the needs of families and better align our programming with families' schedules and competing priorities. With the Wausau School District announcing there will be Independent Learning Days and Wellness Days, in addition to some regularly scheduled days off, we have been exploring the idea of offering day camps on the days that Wausau School District has planned "no school" (eg: Friday, February 17 and April 7). And we'd love to hear from our families!

Please complete the brief survey: <https://bit.ly/UUWausauDayCampSurvey>, and feel free to contact Jes, jessica@uuwausau.org, with any questions.

Social Justice & NAOMI Listening Session TODAY!

Grab a cup of coffee after the service and head up to the Dining Hall as the UU Wausau Social Justice Committee and NAOMI team up for a Listening Session. What do you feel are the major issues in the Wausau and surrounding area that need addressing? What do you think needs to happen? Is there something you are doing to help alleviate this? Does your group need help? Bring your thoughts and ideas on how we can be a part of this change!

EarthWords for Sunday, February 12, 2023

Please jot down your good deeds for Planet Earth on the Project SEA-Change scroll in the Atrium after the service. Sharing your acts of environmental stewardship inspires all of us move forward in faith and joy.

Human use, population, and technology have reached that certain stage where mother Earth no longer accepts our presence with silence. (The Dalai Lama)
