

### Youth & Adult RE - Creativity Matters, May 16

Our Creativity Matters group from our Spring Adult RE series has decided to continue meeting monthly, and we're opening it up to folks who weren't able to join in March. Creativity Matters invites us to engage in the monthly Soul Matters themes and explore spiritual growth through creative expression. We'll meet on Tuesday, May 16, at 7:00 pm, to explore the theme of creativity with the creative practice of collage and erasure poetry. All supplies will be provided, but you are also welcome to bring your own. Email Jes, [jessica@uuwausau.org](mailto:jessica@uuwausau.org), to get the Creativity Matters May packet and for questions. *\*This group is open to adults and youth in high school.*

### We Rock It! Book Club, May 18

This coming Thursday, May 18, We Rock It! Book Club will be wrapping up a great year of reads and *One Crazy Summer* by Rita Williams-Garcia with a discussion of the chapters "Moveable Type" to the end. For our last session, we have the option to meet in person for dinner at 6:30 pm. We'll have pizza and sides, and parents/caregivers are welcome to join us. Folks who are not able to attend in person are welcome to join the group at 7:00 pm, on Zoom. If you plan on attending in person, please let Jes, [jessica@uuwausau.org](mailto:jessica@uuwausau.org), know, along with any food allergies/restrictions.

### Celebrating School Transitions, June 4

A long-standing tradition at UU Wausau and UU congregations all across the country, it is a time for us to recognize those of us who are on the cusp of transitions - moving up in school, graduating from college, retirement, but especially, our youth who are moving to emerging adulthood - and an opportunity for the congregation to offer our blessings for wherever their journeys take them next.

During the service, we have special roles and a ritual for our graduating senior high youth, but we'd also like to celebrate all of our children and youth who are marking a major transition in their schooling. If you have a preschooler that will be advancing to kindergarten; an elementary student advancing to Middle School; a Middle School student that will be transitioning to Senior High; graduating Sr. High youth, and/or any of their home school equivalents and would like to take part in our annual Bridging service, please let Jes know, [jessica@uuwausau.org](mailto:jessica@uuwausau.org).
