Treasurer's Report: Year to date financials are close to budget. Hoping that December sees the fulfillment of year to date pledges. Jefferson talked about the new format for presentation of financials in the coming year when he takes over as co-treasurer. He asked for any input as the year progresses as this is a work in progress. Jefferson reminded that we paid down the mortgage which shows as an expense for the month and skews the monthly report. This will be "cleaned" up at the end of the year.

Minister's Report: Bushbaum reviewed her written and submitted report. Discussion centered on the received request that she be allowed to preside over a wedding scheduled for August 2, 2017. As she will no longer be under contract and presumably the new settled minister will literally just arriving, it is a question of what is appropriate. The couple would like Laurie to come back and handle the service. She felt it was imperative that this situation be address with Board approval. She noted that the new minister be apprised of the situation and have the final say. If there are no objections, the Board assured her they were fine with her doing the service. However, it was noted that assuming that this couple are members of the church in which case the facility is free, it is up to them to arrange with Laurie for her compensation.

The wonderful gift from Gale Fisher was discussed and decisions on the best use of this gift will be ongoing. Suggestions: Pay down more of the mortgage, building needs, non-budgeted Search expenses
